3. Qual é a tua opinião sobre o jardim da escola? (registra duas opiniões)

Which is your opinion about the school garden? (register two opinions)

The school garden is very beautiful and has a lot of diversity of plants

the school garden is not too polluted

I like the school garden, it's an interesting space to socialise with colleagues

I find it quite nice, beautiful and well taken care of, I think it could be fun to have more fruit trees

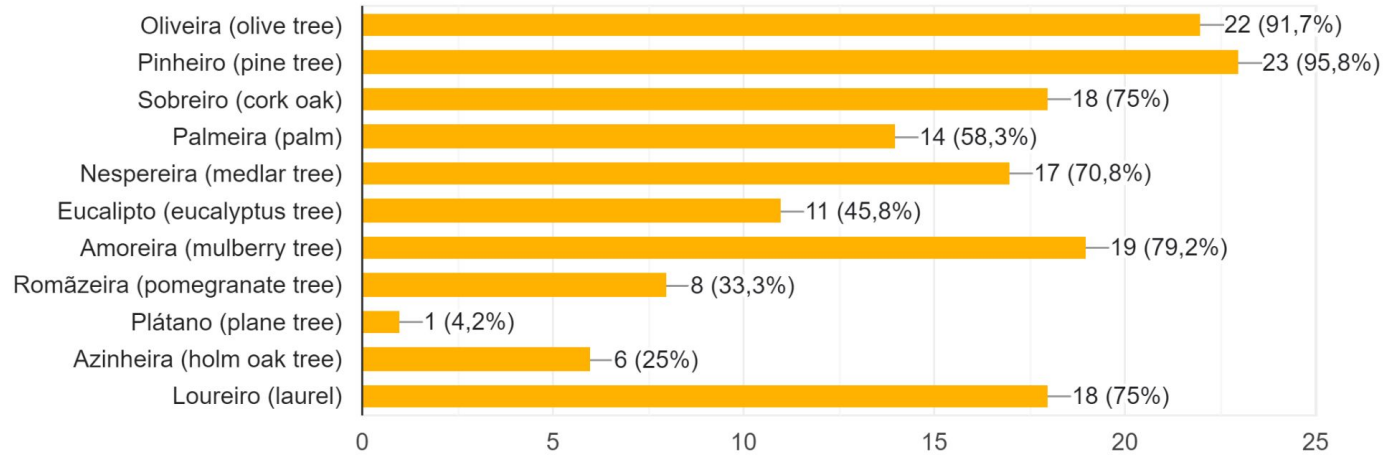

In my opinion it is well looked after but I think we should have more activities in the school garden.

The garden is large and serves as a good space to socialise during free time at school and also helps the school to be more visible and more 'colourful'.
