## ***Presentation of the school mascot-dolls***

The “Presentation of the school mascot-dolls” was one of the activities of the 2nd meeting (virtual) in Ceska Lipa - CZECH REPUBLIC in March 2021.

The pupils presented the mascot-dolls of their schools and described the used technique for their manufacturing.

Their presentations are the following:

# VODNÍK- water goblin (water sprite, water man, water spirit)

We cut a piece of wood and we painted the bottom as legs.

We prepared the pieces of fabric.

We used the blue fabric to sew the upper part of her outfit.

We sewed an elastic band in the upper part to bind the fabric.

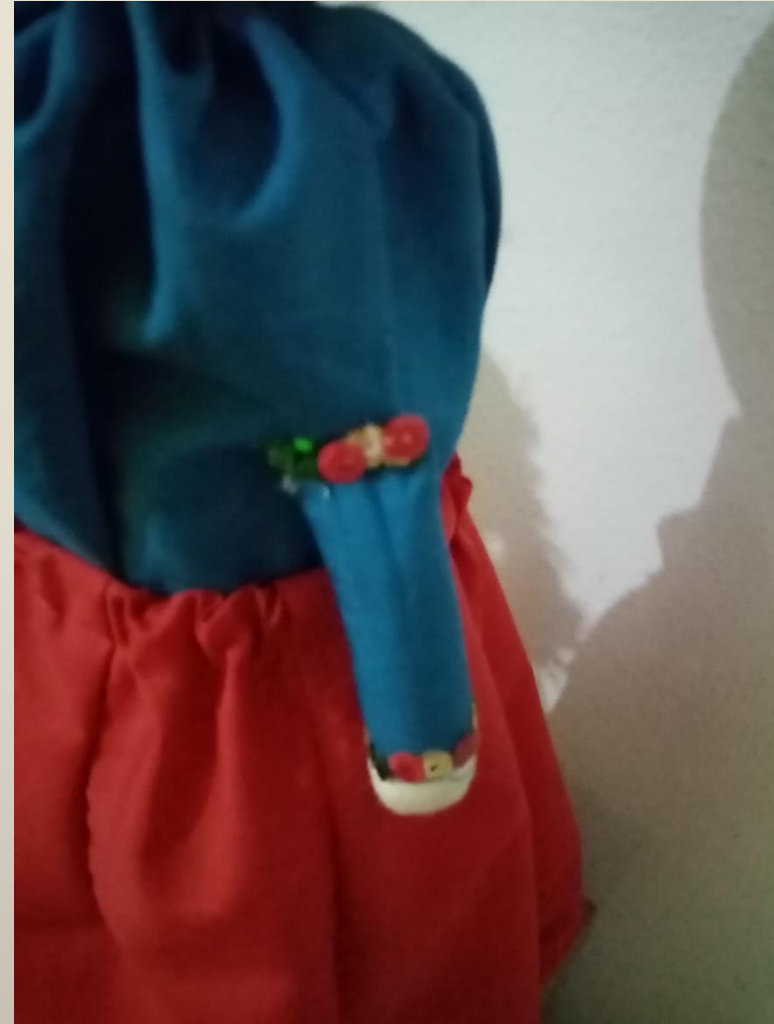

We made a skirt of the red fabric and sewed in the elastic band in the same way. Then we put the skirt together with the upper part of the dress on a piece of wood.

We made the hands of white fabric, around which we sewed a strip of blue fabric.

Then we put them to the upper part of dress and covered them with sequins.

We cut the  
ribbon into the  
strips.

We attached them  
with pins to the  
polystyrene ball  
and thus created  
the head.

We drew lips  
with the red  
marker.

We drew  
eyebrows with  
the black  
marker.

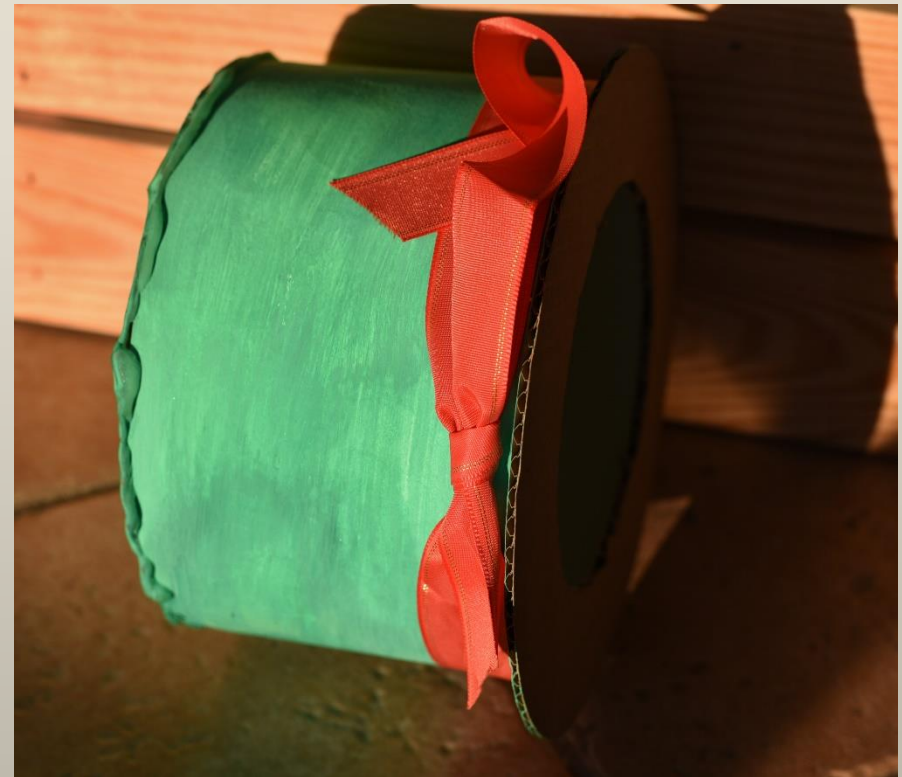

Then we stuck  
her eyes and  
nose

Finally, we  
attached her  
head to the  
body.

Hat was the last part of our mascot. We used cardboard and a glue gun to make it. Green colour and ribbon has every 'Vodník'- The Water Goblin in our fairy tales.
